ABOUT KRP INCUBATION CENTRE

Our incubation centre allows entrepreneurs to preserve capital and gain external support to accelerate their business growth. Through our centre, we focus on capturing each entrepreneur's uniqueness by offering support and customized services to maximize the business potential of each individual associated with us.

OUR PURPOSE

- To provide a platform to students with original, creative ideas and the zeal for entrepreneurship
- To introduce students to new technologies, enhance business acumen and plan their startup
- To connect with investors, companies and mentors
- To encourage students to come up with new imaginative ideas through workshops, seminars and best-in-class industry exposure.
- To give students access to qualitative research-based learning and fuel their dreams

Kantikumar R. Podar Incubation Center aims to provide a platform to support the promising entrepreneurs of Nawalgarh and the entire Shekhawati region. It aims at nurturing the budding entrepreneurs during their start up journey.

ABOUT US

MISSION & VISION

EMPOWERMENT

We are dedicated to empowering entrepreneurs with the knowledge, skills, and tools needed to turn their ideas into sustainable businesses that address real-world challenges.

COLLABORATION

We foster a collaborative environment, bringing together a diverse community of entrepreneurs, investors, and industry experts to cultivate connections.

INNOVATION

We encourage innovative thinking, creativity, and the pursuit of knowledge to nurture disruptive ideas that can reshape industries and drive positive change.

GLOBAL REACH

We focus on strengthening our roots in our local community, and expanding to a global network, striving to connect our startups with international markets, investors, and partners to amplify reach.

ABOUT Kantikumar R. Podar

Shri Kantikumar R. Podar was a visionary philanthropist and has made significant contributions to the field of education, leaving an indelible mark on countless lives. His relentless commitment to empowering young minds and creating a positive impact on society has shaped the educational landscape of our nation.
